

### 3D Renderings & Quote Proposal:

Hi \_\_\_\_\_,

Thank you again for having me in your home on the \_\_\_\_\_, it was nice meeting you. As promised, I have attached a preliminary design for the discussed spaces. Please note the following:

- I have provided you with...
- We can reduce the cost by...

As a complimentary service, we generally take care of tearing out of the existing material, discarding it and patching holes in the affected areas.

Please treat the attached as a preliminary drawing so don't hesitate to make changes or ask question we can help answer. From the time you decide to proceed with us by supply signed documents and the initial deposit than it takes us three to four weeks before installation can take place.

We hope you enjoy the drawings and please contact us if we can be of any further assistance. Any design changes are definitely welcome.

Thank you,
