

Follow-up Perfect Fit:

Hi _____,

How are you? Just reaching out to see if the e-mail containing the 3D Renderings and quotes sent on the _____ reached you well.

If you would like to discuss the designs over the phone we could set up a phone call sometime this week. If so, what time is best for you?

I am here to help with any design changes or questions you may have so please reach out at any time.

Thank you,
