Spaces Assessed All: _____

Let the client know we patch all holes but do not paint (if the patch is dried) complimentary. If the patch work isn't dried than the client has to sand and paint, it's easier to paint once closet is up since material will cover most of the wall. We will also discard all material, complimentary!

Questions:

1. What is the client timeline?
2. What is the client budget? (our average job between \$2500-\$3000+)
3. How many other quotes have they requested?
4. Notes:
